The amount of the Company's own shares which may be transferred pursuant to the authorization shall not exceed 10,000,000 shares, which corresponds to approximately 6.7 percent of all shares in the Company.

The Board of Directors is furthermore authorized to issue special rights referred to in Chapter 10 Section 1 of the Companies Act entitling their holder to receive new shares or the Company's own shares for consideration in such a manner that the subscription price of the shares is to be set off against a receivable of the subscriber ("Convertible Bond"). The amount of shares which may be issued or transferred based on the special rights shall not exceed 15,000,000 shares, which corresponds to approximately 10 percent of all shares in the Company. A directed share issue may be executed without consideration only if there is an especially weighty financial reason for the Company to do so, taking the interests of all its shareholders into account.

The Board of Directors decides on all other matters related to the issuance of shares and special rights referred to in Chapter 10 Section 1 of the Companies Act.
